Note that International and Canadian shipments may incur duties and taxes. Please be prepared to settle these charges with the Carrier at the time of the delivery.

You can get a shipping cost calculation by following these steps:

1. Make your product selections
2. Click on View Cart
3. On the right side of the page, enter your ship-to country and state, then press go.
4. All valid shipping methods and the associated shipping cost will be displayed.

You'll see estimated delivery times on each product page and at checkout.

Please be sure to provide a daytime phone number when you enter the shipping address, so the carrier can contact you if needed.

We ask that you always inspect your package for damage before signing for the delivery. If the package is damaged but the merchandise looks unaffected, note the damage on all delivery receipts before signing. If the package is damaged to an extent the merchandise may be damaged, please refuse delivery and call our Customer Service department at the number listed above.
